

**This week at MRC we continued our short series in Acts 1, focussing in on v6-8 this week.**

We talked about God's Kingdom being  
...heralded by Spirit-empowered witnesses.  
...taking the gospel to the ends of the Earth.

Here are some brief questions to help your group engage with the verses

1. What do you think the disciples are (still) looking for from Jesus? How does Jesus respond?
2. What does it mean to be a witness? What are they to witness to (both objectively and subjectively)?
3. What pattern does Jesus give them for their witness? How does that apply to us?
4. How can they manage this?
