

1) Pray we would know God better

Would you say you know God?

What's the relationship between knowing God and knowing about God?

2) Pray we would know the blessings that God gives better

What are the 3 'blessings' or aspects of his plan that Paul prays they would know better?

- The hope to which he has called us

What does he mean by 'hope' here? Why does he want them to know the hope to which God has called them, do you think?

- The riches of God's inheritance

What are the riches of God's inheritance in his people? Why is it key the Ephesians latch onto that? What will it change?

- The power for us who believe

What kind of power is he describing? Why does he describe it in this way? Why does it matter? What does v22 mean?
