---

### **Psalm 123**

- What problem is the psalmist facing on his pilgrimage in this psalm? Do experience similar problems?
- Who brings the problem? Why?
- Why is the problem important?
- What is the psalmist's response to this problem? Why is that important? What alternative responses might there be? In what ways do we tend to respond?
- How does the imagery of v2 help us to understand the psalmist's attitude to God? What does this mean in practical terms for us?
- What are the key practical things that you need to do to imitate the psalmist? What help do you need? What encouragement can you find in this psalm?
