

Heroes of Faith : The Israelites crossing the Red Sea

Read Hebrews 11:29, and then Exodus 14.

Why does God direct Moses to lead Israel to the edge of the Red Sea? (verses 1-4)

How would you describe Israel's reaction in verses 10-12? Is it fair?

Do we ever respond to a crisis in a similar way?

What does it look like for Israel to **not be afraid**, to **stand firm**, and to **be still**? (verses 13-14)

How can we make that our discipline as well?

How would you characterise the Egyptians in this story? Do you feel uncomfortable about their fate?

You can see how Moses feels about it in chapter 15!

How can we apply these images of God defeating his enemies to our situation as Christians today?

What have we learnt about faith from this story?
