A four week series in 2 Peter

Questions

1. How does knowing that “through the knowledge of himself God has given us everything we need for a godly life” affect the way we live?
2. What are some personal examples of how the promises he has given you enable you to live a godly life?
3. Which of the ‘virtues’ would you like to see growth in?
4. The benefits of growing in virtue, that Peter lists in verses 8-11, don’t include the benefit of God loving you more. How does this help us to better understand what the benefits of growing in virtue truly are according to Peter, and also guard us from misunderstanding what he is exhorting us to?
5. How does the “faith of equal standing” in verse 1 guard us from misunderstanding verses 5-7?
