

- How do we see relationships ruined in the rest of the chapter?
- Talk us through the parallels (and differences) between Jesus and Adam in Gethsemane and Eden
  - What does it mean to be in Christ? How does that fuel us to live joyfully for him?
- How do these verses help in your daily battle?
- How do you think Satan would take you down?

### Genesis 3 : The Fall

This week we continued our series in Genesis, focusing in on chapter 3 and especially Eve's conversation with the serpent. These were our 4 points:

- Sin begins with doubting the truth of God's Word
- Sin continues with faithlessness & rebellion against God
- Sin is finally wanting to be like God
- Jesus beautifully deals with our sin

Here are some questions to start your group off...

- How do you see sin being 'forgotten' in society? When is it still remembered?
- How does Satan sow seeds of doubt and deny truth as he speaks to Eve?
  - What should Eve have said in this encounter?
  - Where do these realities about sin work out in our lives? Be honest!
- Where do we see Eve's faithlessness here? And ours?
  - Why did Eve finally eat the fruit?
  - In what way is sin wanting to be like God?
