

#### **Genesis 4 : Trying to live East of Eden**

This week in Genesis 4 it would help to wrestle with some of these questions

- What's the story so far in Genesis?
  - What glimpses of grace do you notice in this chapter?
- Why do you think God didn't accept Cain's gift?
  - Why do you think Cain even brought a gift? Explain your answer.
  - Why do you think God visits Cain?
  - How does God respond to Cain's action?
- Look up Hebrews 11v4, 1 John 3v12-13 and Hebrews 12v24. What do they add to our understanding of the account?
- What applications are we meant to draw from this? Consider our relationship with God, our anger towards others, our restlessness etc  
How does Jesus' spilt blood "speak a better word" (Heb 12v14) than Abel's?
